

North Arkansas Electric Cooperative’s fiber-to-the-home subsidiary NEXT, Powered by NAEC delivers high-speed internet, television and phone services to NAEC’s service area. It’s the next greatest thing since electricity!

HIGH-SPEED INTERNET

NEXT is the choice for fast, reliable and affordable internet. It features symmetrical upload and download speeds with no data limits. Prices reflect residential rates. Call 870-895-3221 for business rates.

- | | |
|--|---------|
| • Basic (Speeds up to 100 Mbps) | \$49.95 |
| • Streaming (Speeds up to 300 Mbps) | \$64.95 |
| • Advanced (Speeds up to 1 Gbps) | \$79.95 |
| Wireless Gateway/Router Service | \$4.95 |

TELEVISION

NEXT television is dependable and affordable. We offer the greatest variety of channels, including all of your favorites. Add whole-home DVR for only \$10 more and watch shows on your own schedule.

BUNDLE & SAVE!
 Choose 2 services to save \$6. Choose 3 services to save \$12.

870-895-3221 | mynextfiber.com

WE'RE HERE TO HELP!

- **TECHNICAL SUPPORT** – Call 870-895-3221 to access technical support 24 hours a day.
- **BILLING/ACCOUNT QUESTIONS** – Call 870-895-3221 from 8 a.m. to 4:30 p.m. Monday through Friday to speak with a NEXT representative. You also can stop by a North Arkansas Electric Cooperative office at 225 South Main St. in Salem, 1520 Hwy. 62/412 East in Mountain Home or 824 Hwy. 56 in Ash Flat.

Internet

All business services come with priority after-hours support and free static IP address (if requested). Details are available at mynextfiber.com. Gigabit is a maximum capacity. Speed is likely to be slower because transport overhead and other locations on the internet are not yet gigabit-capable. Few wireless routers support gigabit connection speeds. Gigabit speeds are “best-effort” and not guaranteed. Speeds in the 700 to 900 Mbps range are most common on gigabit tier.

Telephone

Unlimited local and long-distance telephone service includes the entire United States and Canada. International calling plans are available. Calls to cellular phones are not included in international calling plans. Standard features include three-way calling, caller ID, call forwarding, call waiting and voice mail. Additional services are available for additional cost. See mynextfiber.com for details. Prices do not include applicable taxes, regulatory and/or local government franchise fees. Each additional line is \$18/residential and \$20/business. Business phone lease is \$12.50 per phone per month. VOIP service is provided by a third party.

Television

Business prices vary for hospitality businesses. Each HD set-top box is \$6.95 a month. HBO, Cinemax, Showtime, Starz and StarzEncore carry an additional charge with all packages except Ultra. Sports and Variety packages carry an additional charge with all packages except Ultra. Add-ons are not available with Local package. Prices do not include applicable taxes, regulatory and/or local government franchise fees.

Pricing reflects recurring monthly charges. Prices and packages are subject to change. Business pricing available.

Installation process

A step-by-step guide

Register by mail, online, or in one of our three offices.

NEXT will install the fiber optic line to your business or residence, and determine the strength of your data signal.

A NEXT customer service representative will call you and determine a good time for you and our team to install your services.

NEXT will install your services to your home or business.

**APPLICATION/CONTRACT FOR FIBER-TO-THE-HOME COMMUNICATION SERVICE
NEXT, POWERED BY NAEC**

The undersigned (hereinafter called the "Applicant") hereby applies for communication service with NEXT, Powered by NAEC, (hereinafter called "Provider"), upon the following terms and conditions:

1. The Applicant will comply with and be bound by the provisions of the service agreement, and such terms of service as may from time to time be adopted by the Provider. The terms of the service agreement can be viewed online at www.mynextfiber.com.
2. The Applicant shall, upon execution of this application/contract, be responsible for payment of the current monthly rates as determined by the Provider. The Applicant agrees to take a level of service with a minimum value of \$39.95 per month for 12 months; the exception is for subscribers who only take basic phone service. Should the Applicant terminate the terms of this application/contract prior to completion of the installation of fiber-optic service, then the Applicant shall be responsible for the minimum sum of \$39.95 per month for a period of 12 months. Once the fiber-optic service has been installed and has been connected to the Applicant's or Provider's device, standard monthly billing for service begins and may be prorated for any partial usage in a given month. If the Applicant disconnects service or defaults in payment, then an early-termination fee will apply. The early-termination fee will not exceed the remainder of the 12 months of service multiplied by the minimum level of service agreed to in this application/contract. Subscribers who only take basic phone service must maintain service for at least 12 months and will not be required to pay a minimum of \$39.95 a month.
3. Any default by the Applicant in the payment of his/her service bill shall give the Provider the right to disconnect and remove the service, in accordance with the Provider's disconnection policy and procedure.
4. It is the responsibility of Applicant to maintain the wiring and all applicable devices inside the Applicant's premise. The ONT device (where the fiber optics media conversion takes place) and all wiring is the property of the Provider and shall not be tampered with, opened, or removed by the Applicant.
5. The Applicant, as a condition of receiving service from the Provider, will grant an easement to NEXT, Powered by NAEC and/or NAEC on and through their property to provide service extensions to self and other adjacent subscribers as well as to perform necessary maintenance, service upgrades and periodic right-of-way re-clearing work. When possible all service extensions will follow the existing NAEC electrical service lines.
6. The Applicant authorizes the Provider to make an investigation of their credit history if needed.
7. The Applicant understands that FTTH service requires electricity at the Applicant's service location, and if an electrical service outage occurs that the FTTH service, which could include telephone, will not function during the outage.
8. The Applicant agrees to not use the FTTH network in any illegal manner as specified in the terms of service agreement found at www.mynextfiber.com, and as further defined by local, state, and federal laws and regulations.
9. Provider in no way is responsible or accountable for any loss of revenue or any other issue that might arise from an outage on the service provided to the Applicant.
10. In the event a dispute shall arise between the Provider and the Applicant, the parties hereby agree that the dispute shall be referred to one of a USA&M-approved arbitrator's office for arbitration in accordance with the applicable United States Arbitration and Mediation Rules of Arbitration. The arbitrator's decision shall be final and legally binding and judgment may be entered thereon. Each party shall be responsible for its share of the arbitration fees in accordance with the applicable Rules of Arbitration. In the event a party fails to proceed with arbitration, unsuccessfully challenges the arbitrator's award, or fails to comply with the arbitrator's award, the other party is entitled to costs of suit, including a reasonable attorney's fee for having to compel arbitration or defend or enforce the award.
11. Applicant's signature gives consent for email and text correspondence regarding account information.
12. Directory services and operator-assisted calls are the sole responsibility of the subscriber and not included in the monthly phone charge.

By signing this application, the Applicant agrees to comply with the terms in this application. By signing this application, the Applicant is confirming he or she is the property owner or has permission from the property owner to have these services installed. Basic installation covers on-premise wiring of one data connection, one voice line and two video set-top boxes in one facility completed during one installation trip. Additional wiring to locations in the same building will be an additional charge.

CONTRACT ADDENDUM

NEXT, Powered By NAEC protects our assets by billing one month in advance and requiring a minimum contract of one year. In an effort to be transparent with our subscribers, we offer details and an example of our billing process below. **Please initial areas in yellow.**

Your first bill will be higher than a normal month's bill because it will include prorated charges from your connect date to the end of that month's billing cycle plus one month's service in advance.

We've provided an example below for a residential subscriber with 100 Mbps internet and wireless gateway service. She connected Oct. 15 and has prorated charges for service received Oct. 15-31.

<i>Internet charge for Oct. 15 to 31</i>	<i>\$24.97</i>
<i>Wireless gateway charge for Oct. 15 to 31</i>	<i>\$2.47</i>
<i>Internet charge for November</i>	<i>\$49.95</i>
<i>Wireless gateway for November</i>	<i>\$4.95</i>
<i>Total first bill</i>	<i>\$82.34</i>
<i>Future monthly bills</i>	<i>\$54.90</i>

Please note this is an example. You will be billed after installation. Your prorated charges will vary.

- I agree that my first billing statement will include a partial month's billing in addition to a month's advanced billing.
- If services are terminated before the 12-month commitment is complete, I understand that I will be billed \$39.95 for each unfulfilled contract month.
- No extensions are allowed on NEXT services. Payments need to be made by the due date to prevent disconnection of service. A 2-percent late fee is added if the bill is not paid by the due date. A \$50 reconnect fee is assessed if an account is disconnected for nonpayment.
- Free initial television installation covers up to two set-top boxes; each additional set-top box will cost \$50 to install.

NEXT strives for same-day resolution of any issues affecting residential or business service. We monitor our network 24/7 and are proactive in identifying and correcting issues that could lessen our high quality of service. We are grateful for your confidence in our service and look forward to serving your communication needs.

PHONE GUIDE

CALLING FEATURES & DIALING RULES

Code	Description	Instructions
*98	Voicemail	See below for supported features
*43	Call Waiting Enable	Enables Call Waiting for all future calls
*44	Call Waiting Disable	Disables Call Waiting for all future calls
*48	Anonymous Call Reject Enable	Reject all calls from anonymous numbers
*49	Anonymous Call Reject Disable	All calls from anonymous numbers
*59	Specific Caller Allow	Remove a phone number from your blocked-caller list
*60	Specific Caller Block	Block calls from a specific phone number
*63	Specific Caller Forward Enable	Forward all calls from a specific phone number
*65	Enable User Caller ID Next Call	If Caller ID is disabled, use this to turn on Caller ID on the next call made
*67	Block User Caller ID Next Call	If Caller ID is enabled, use this to turn off Caller ID on the next call made
*69	Call Return	Calls the last inbound caller
*70	Disable User Call Waiting Next Call	Turns off Call Waiting during the next call made
*72	Call Forwarding	Will forward all future calls to the desired number
*78	Do Not Disturb Enable	Sends all incoming calls to the unanswered failover (voicemail, forward to another number, busy signal)
*79	Do Not Disturb Disable	Turns off Do Not Disturb
*99	Call Forwarding — No Answer	Will forward calls to desired number when call unanswered

VOICEMAIL GUIDE

Access Your Voicemail

- Dial *98 from phone that's connected to your account.
- Enter four-digit PIN followed by the pound (#) sign.
 - Default PIN is 1234. You will be prompted to change PIN for security purposes upon first use.
- To listen to messages, press 1.
 - Skip message Press 1
 - Save message Press 2
 - Erase message Press 3
 - Repeat message Press 9
 - Exit the menu Press 0

Personalize Your Voicemail

- Dial *98 from the phone that's connected to your account.
- Enter your four-digit PIN followed by pound (#) sign.
- Press 8 to access your personal options. They include:
 - Change PIN Press 1
 - Personalize your greeting Press 2
 - Add your personal name Press 3
 - Call forwarding Press 5
 - Set call screening forwarding number Press 6
 - Repeat person options Press 9
 - Exit the menu Press 0

Remote Access to Voicemail

- Dial your 10-digit phone number.
- When you hear your voicemail greeting, press the pound (#) sign.
- Enter your four-digit PIN followed by pound (#) sign.

Please call 870-895-3221 for technical support.
